Curating a Culture of Respect, Activities in the USA

Participating in this cross-cultural school/museum pilot project, with the goal of eradicating violence - at both the micro and macro levels has been interesting and exciting. There are two dynamics that stand out as the most significant - the program development model of "co-creation" and the fact that with this project we are not just supporting the classroom curriculum but we are actually helping teachers to think about what and how they teach in new ways.

FRAME's Mission Statement

French Regional American Museum Exchange (FRAME) is a consortium of 26 major museums in France and North America that promotes cultural exchange in the context of museum collaborations. FRAME fosters partnerships among its member museums to develop innovative exhibitions, educational and public programs, and professional exchanges among museum staff, and maintains a bi-lingual website to reach global audiences.
